## **Indigo Pearl Phuket Hosts World Luxury Hotel Awards 2013**

30<sup>th</sup> July 2012 – The World Luxury Hotel and Spa Awards celebrate world-class service excellence in exceptional hotels and spas, representing the pinnacle of achievement for hoteliers worldwide. It is therefore fitting that the 2013 World Luxury Hotel Awards Gala Ceremony & Dinner will be hosted at the ‘all villa and suite’ Indigo Pearl Phuket, a property recognised for its timeless elegance, innovation and renowned service standards.

Held on 1<sup>st</sup> November 2013, this year’s World Luxury Hotel Awards will welcome 300 guests to witness the recognition of hotels and spas that have excelled in their fields, surpassing all others in delivering extraordinary service. Regarded as the Oscars of the global hotel industry, the World Luxury Hotel Awards is known as the highest accolade a property can receive.

The awards account for 50 categories in the luxury hotel industry including luxury private island resorts, casinos & lodges. Winners are judged on service excellence and effective management.

With its unique location, award-winning design, COQOON spa and restaurants together with well-appointed meeting facilities, Indigo Pearl sets a benchmark for hotels in Phuket. A previous winner of a World Luxury Hotel Award, the resort is a natural destination to host one of the most prestigious events on the global hospitality industry calendar in 2013.

“It is an exceptional honour for Indigo Pearl to host this year’s World Luxury Hotel and Spa Awards. With our luxurious offerings and world-class facilities, we believe that the resort is a perfect choice to host this globally renowned awards gala. This opportunity will allow us to showcase Indigo Pearl to leading luxury hoteliers and high-profile media whom I believe will enjoy their experience here very much,” said Kelly Lewis, General Manager of Indigo Pearl.

Upholding its reputation of excellence, Indigo Pearl continues to evolve. Launched in November 2011, the Indigo Pearl Pool and Spa Villas were created in partnership with Bensley Design Studios. Signature fine dining restaurant Rivet was reinvented in 2013 to introduce an interactive culinary theatre that fuses the elements of **Fashion. Art. Cuisine. and Entertainment.**
