

Best Medical/Wellness Spa 2011

Macau, 8th April 2011 - MALO Clinic Health & Wellness Macau is proud to be recognized and a winner as the **Best Luxury Medical/Wellness Spa by 2011 World Luxury Spa Awards**.

The World Luxury Spa Awards™ gives recognition and congratulates unsurpassed service excellence and put the spotlight on the spas that represent the finest standards & thus attracting the attention of global spa-goers and industry experts.

The official voting closed on the 19th March 2011 and the response from voters was phenomenal. The independent judging process was based on spa guest votes and the feedback and votes from a selected global panel of spa industry professionals which makes this prize an important achievement to any luxury spa.

“Being open to luxury spas in 8 different spa categories, the World Luxury Spa Awards™ are recognized and respected on the global front by the public and media at large and are universally acknowledged, that's why is a great honor for us to receive this award”, said Dr. Paulo Maló, President of MALO Clinic Health & Wellness Group.
