KIVOTOS MYKONOS

THE SCIENCE OF WELL-BEING

Welcome to ONAR SPA at Kivotos Mykonos, set within one of the most iconic destinations of the island. Surrounded by Aegean light and the vibrant spirit of Mykonos, Kivotos ONAR SPA offers a distinctive expression of luxury well-being.

Each treatment is designed to restore balance between body, mind, and skin through a precise sensorial method.

Guests are invited to recharge, rebalance, and discover a new expression of well-being through signature face and body rituals, advanced facials, and holistic therapies, crafted to deliver the ultimate holistic Mykonian experience.

ONAR WELLNESS

is a luxury spa brand creating refined ONAR SPA experiences inspired by the Ancient Greek philosophy of Kallos, where beauty and wellbeing exist in harmony. Rooted in neuro-wellness and advanced scientific formulation, it introduces the Longevity Skin Health Program combining nature, high-performance molecules, and active complexes to support skin renewal, resilience, and well-ageing at a cellular level.

Guided by luxury hospitality standards, ONAR WELLNESS delivers immersive, multi-sensory rituals that connect skin, mind, and body, using clean, sustainable, and vegan formulations to restore balance and achieve visible, lasting results.

KALLOS RITUAL

90', 180€ / 110', 220€

An indulgent head-to-toe ritual designed to restore skin vitality and inner balance. The experience begins with a grounding breathing ritual to awaken the senses, followed by a gentle body exfoliation, soothing warm compresses and a deeply relaxing full-body massage. A luxurious face, neck and scalp treatment completes the journey.

Infused with the rejuvenating essence of lily flower and rich nourishing blends that support the skin's lipid barrier, this signature ritual promotes deep relaxation and visible skin renewal.

CELL RENEWAL
REVITALISING
SKIN PREPARATION

THE SCIENCE OF WELL-BEING

Active lipid complex strengthens the skin barrier, while apple seed oil nourishes and lily, myrtle and grapefruit boost collagen and renewal.

EXILEOSI RITUAL

90', 150€

A body ritual inspired by the beauty practices of Aphrodite, combining exfoliation and specialised massage to refine, sculpt and renew. A deeply nourishing exfoliation, enriched with natural perlite and shea butter, smooths and prepares the skin, enhancing the effects of a targeted lymphatic massage designed to stimulate circulation and support detoxification.

Potent botanicals including Greek dittany, black cumin and poppy extract work alongside advanced actives to improve tone, boost hydration and support skin resilience. Exiléosi leaves your body deeply hydrated, visibly toned and radiantly revitalised.

LYMPHATIC
DETOXIFYING
SCULPTING

THE SCIENCE OF WELL-BEING

A rich blend of rose, myrtle, cardamom, myrrh, and neroli essential oils creates a beautifully aromatic experience that calms the nervous system and enhances overall wellbeing.

THE ONAR WELLNESS EXPERIENCE

Inspired by the medicinal plants of the Greek flora, ancient Greek recipes, and healing rituals. ONAR WELLNESS blends ancient Greek roots with modern global wellness practices to create elevated spa experiences rooted in nature, advanced scientific formulation, and holistic wellbeing.

MELODIA MASSAGE

60', 120€

A sculpting massage designed to refine, tone and detoxify the body. Rhythmic, targeted techniques work to stimulate circulation, support lymphatic flow and enhance skin firmness, helping to redefine body contours. This dynamic treatment encourages the elimination of toxins while promoting smoother, more toned skin with a visibly sculpted appearance. The body feels lighter, refined and revitalised, with contours that appear more defined and balanced.

FIRMING
TONING
DETOXIFYING

THE SCIENCE OF WELL-BEING
Poppy extract, biomimetic squalene and an active lipid complex nourish and restore. Essential oils of rose, myrtle, neroli and cardamom enhance tone, support detoxification and promote skin renewal.

EVEKSIA MASSAGE

60', 150€ / 90' 210€

A recovery massage designed to restore, rebalance and deeply revitalise the body. Combining deep tissue and sport techniques with targeted pressure and fluid movements, this treatment works to release tension, improve mobility and support muscular recovery. Gentle stretching enhances flexibility while easing discomfort, creating a sense of lightness and renewed physical balance. The body feels restored, re-energised and aligned, with tension released and movement improved.

MUSCLE RELIEF
FUNCTIONAL RECOVERY
BODY BALANCE

THE SCIENCE OF WELL-BEING
Biomimetic squalene, thyme, aloe vera and oat oil nourish, soothe and support skin comfort and recovery.

GENESIS MASSAGE

60', 110€

ONAR MESSAGES

ONEIRO SIGNATURE MASSAGE

75', 130€

A signature full-body massage designed to restore circulation, release tension and induce deep relaxation. The experience begins with a gentle dry exfoliation to prepare the skin, followed by a tailored medium to firm massage that works deeply into the muscles, easing stress and enhancing flow.

RELAXING
BALANCING
RESTORING

THE SCIENCE OF WELL-BEING
Dry exfoliation stimulates microcirculation, while targeted massage techniques enhance blood flow, release muscular tension and promote deep relaxation and balance.

Carefully selected Greek essential oils, chosen according to aromatherapy principles and individual needs, create a grounding sensory experience that calms the nervous system and restores overall balance. The body feels restored, the mind deeply relaxed, and the senses immersed in a state of complete tranquillity.

CHARISMA SIGNATURE FACIAL

80', 180€

An advanced longevity facial designed to restore skin balance, enhance elasticity and elevate radiance. Performed with the SkinMind Reliever Elixir, this treatment helps reduce skin stress while improving overall skin comfort. Charisma techniques combined with a specialised neuro-lifting massage work to stimulate microcirculation and visibly lift the skin. An active enzymatic exfoliation refines texture, followed by a dual-mask application with a white glow mask and a complex of maslinic acid, hyaluronic acid and ceramides to deeply hydrate and strengthen the skin barrier. Optional targeted LED therapy further enhances results.

THE SCIENCE OF WELL-BEING

Maslinic acid, hyaluronic acid and ceramides hydrate, repair and strengthen the skin barrier. SkinMind Reliever reduces skin stress and enhances overall skin comfort.
