

A photograph of a modern spa interior. In the foreground, there is a large, rectangular hot tub with a greenish tint. In the background, several wooden lounge chairs are arranged on a dark floor. The walls are dark, and there are large windows or glass partitions. The overall atmosphere is relaxing and luxurious.

DID YOU KNOW THAT...

The Canary Islands volcanic hot stone massage is a combination of the therapist's hands and hot and cold stones?

This type of massage produces a soothing effect that mobilizes energy, relieving stress, tension, and fatigue.

Aromatherapy stimulates the senses, creating a pleasant feeling of well-being and harmony.

Feel the warmth of the volcanic stones, allowing yourself to be transported to a state of total well-being and relaxation.

The combination of the therapist's hands and the hot stones will help your body relax, allow vital energy to flow, and relieve physical and emotional ailments.
